

## MCHENRY COUNTY COLLEGE

# Transferring?

**START** AT MCHENRY COUNTY COLLEGE.

**FINISH** YOUR BACHELOR'S DEGREE AT THE COLLEGE OR UNIVERSITY OF CHOICE.

### Interested in Transferring? Explore one of MCC's transfer programs.

Transfer programs are designed to cover many of the courses a freshman and sophomore would take at a four-year college or university. In most cases, the completion of an associate's degree prior to transferring is recommended.

- Associate in Arts (AA)
- Associate in Science (AS)
- Associate in Fine Arts (AFA)
- Associate in Engineering Science (AES)
- General Education Core Curriculum (GECC) Credential

Learn more about our transfer programs at [www.mchenry.edu/transfer](http://www.mchenry.edu/transfer).

The Associate in Applied Science (AAS) degree is intended to prepare you for employment, not for transfer. However, MCC partners with four-year schools that will apply some AAS degrees toward specific majors.

Visit MCC's transfer website for details about transfer resources and course and program articulation: [www.mchenry.edu/transfer](http://www.mchenry.edu/transfer)

### How can I make sure my credits transfer?

- **Meet regularly with an MCC academic advisor.**
- **Use transfer resources.**
  - **Illinois Articulation Initiative (IAI)** is an agreement between many Illinois colleges and universities that establishes a package of general education courses accepted at all participating schools (see reverse side).
  - **Transferology** is a nation-wide tool designed to help you see how your courses transfer.
  - **Course articulation guides for in-state and out-of-state colleges and universities**—When a course is articulated, you know exactly how it will transfer. Course articulation can be found on guides posted to MCC's website and Transferology.
  - **Major specific transfer guides for in-state and out-of-state colleges and universities** are posted to MCC's website and show how MCC articulated courses apply to popular majors at specific colleges and universities.
  - **Compact Agreement** is an agreement between Illinois community colleges and most Illinois public universities, assuring the AA degree is accepted as meeting lower level general education requirements upon transfer.
  - **Partnership Agreements** - In addition to the IAI, Transferology, course articulation, transfer planning guides, and the Compact Agreement, MCC has other agreements with four-year colleges and universities that provide a smooth transfer. Some are in the form of special scholarships and others offer guaranteed admission or special opportunities for students with Associate in Applied Science degrees (AAS).

## Participating Schools

### Four-Year Public Institutions

Chicago State University  
Eastern Illinois University  
Governors State University  
Illinois State University  
Northeastern Illinois University  
Northern Illinois University  
Southern IL University Carbondale  
Southern IL University Edwardsville  
University of Illinois Chicago  
University of Illinois Springfield  
University of Illinois Urbana-Champaign  
Western Illinois University

### Four-Year Independent Institutions

Adler University  
Am InterContinental University  
Augustana College  
Aurora University  
Benedictine University  
Blackburn College  
Bradley University  
Columbia College Chicago  
Concordia University Chicago  
DePaul University  
DeVry University  
Dominican University  
East-West University  
Elmhurst College  
Eureka College  
Illinois College  
Illinois Institute of Technology  
Judson College  
Knox College  
Lake Forest College  
Lakeview College of Nursing  
Lewis University  
Lincoln Christian College  
Lincoln College  
Lindenwood University  
Loyola University  
McKendree College  
Methodist College  
Millikin University  
Monmouth College  
National Louis University  
North Central College  
North Park University  
Northwestern Business College  
Olivet Nazarene University  
Quincy University  
Resurrection University  
Rockford University  
Roosevelt University  
Saint Francis Medical Center, Nursing  
Saint Xavier University  
St. Augustine College  
Trinity Christian College  
Trinity International University  
University of Phoenix-Chicago  
University of St. Francis

## Illinois Articulation Initiative (IAI)

The IAI is a state-wide agreement between all Illinois community colleges and public universities and many private institutions. The IAI General Education Core Curriculum (GECC Credential) is a package of lower-division general education courses accepted at all participating schools. Completion of the GECC Credential assures transferring students that lower-division general education requirements for a bachelor's degree have been satisfied at any participating institution. A receiving institution may require an institution-wide and/or mission-related graduation requirement beyond the scope of the general education core. The GECC Credential consists of a minimum of 37-41 credits chosen from five categories. The five categories and the approved MCC courses in each category are shown below (refer to MCC's catalog for GECC policies, course codes, and associate degree requirements). For more information on the benefits of transferring with the completed GECC, consult an MCC academic advisor and refer to the IAI website: [www.itransfer.org](http://www.itransfer.org).

## General Education Core Curriculum (GECC) Credential

**Communications:** 9 semester hours to include: ENG 151, ENG 152 (both with a grade of C or better) and SPE 151

**Mathematics:** 3-6 semester hours selected from the following: MAT 120 or 220, 150, 170, 171 or 175, 202, 245, 255

**Humanities and Fine Arts:** 9 semester hours to include:

**Humanities** - One course selected from the following: ART 150; ENG 240, 251, 253, 254, 255, 256, 260, 261, 270, 271, 272, 275, 276, 277; FRE 252; GER 252; PHI 151, 155, 160, 240, 251, 261, 262; SPA 252

**Fine Arts** - One course selected from the following: ART 150; 151, 155, 165, 171, 172, 174, 175; JRN 180; MUS 151, 153, 154, 171, 172; THE 151.

**Humanities or Fine Arts:** One course selected from above lists.

**Physical and Life Sciences:** 7-8 semester hours with at least one laboratory included:

**Physical Science** - One course selected from the following: CHM 115, 164, 165; EAS 101, 120, 180, 185; GEG 107, 123, 124 (lab), 220, 221 (lab); GEL 105, 110; PHY 280, 291

**Life Science** - One course selected from the following: BIO 110, 130, 138, 157, 158; HRT 103

**Social & Behavioral Sciences:** 9 semester hours from at least two of the following subject areas: ANT 151, 155, 160, 170; ECO 150, 251, 252; GEG 202, 203, 204; HIS 131, 132, 165, 170, 172; PLT 150, 151, 155, 251, 255; PSY 151, 250, 251, 260, 265; SOC 151, 175, 251, 260, 261

**Total: 37-41 semester hours meeting the IAI General Education Core Curriculum**
