

**MCHENRY COUNTY COLLEGE AND MCHENRY COUNTY COOPERATIVE FOR EMPLOYMENT EDUCATION
COURSE ARTICULATION AGREEMENT FOR
PRINCIPLES OF AUTOMOTIVE TECHNOLOGY (AMT 100) – 4 CREDIT HOURS**

Based upon the mutual concern for the continued growth of students pursuing one of the various programs, and in an effort to provide a continuing articulated program that builds on past learning experience and eliminates unnecessary duplication of instruction, we mutually subscribe to the following:

- Beginning with graduation class of 2007, students who have completed the high school courses(s) listed on the chart below with a grade of "B" or above will be granted college credit for the McHenry County College course listed at the top of this agreement.

DISTRICT	DISTRICT COURSE TITLE	CEE IDENTIFICATION	CEE COURSE TITLE
Johnsburg #12	Auto I (Year)	47A130	Auto Service Occ I (Year)
	Auto II (Year)	47A136	Auto Service Occ II (Year)
McHenry #156	Auto Service Occ I (Year)	47A130	Auto Service Occ I (Year)
	Auto Service Occ II (Year)	47A160	Seminar in Auto Services

Approved Program: *Automotive Technology – Associate in Applied Science Degree (OCC 280)*

- Applicants for credit must meet all McHenry County College admissions requirements and must be an enrolled/registered student in good standing with McHenry County College.
- All college credit awarded under the provisions of this agreement will be held in escrow until the student has earned a minimum of **three (3) credits at MCC in the same CTE program content area. The student needs to complete the course with a grade of "C" or above.** The student will be responsible for notifying the records department on completion of the **three (3) credit hours.** In lieu of completing the **three (3) credit hour** requirement, the student may sit for the proficiency exam or equivalent. Passing the proficiency will result in credit hours being awarded. The credit hours (varies with program) from MCC will then be established as part of the student's record.
- In order for credit to be granted, the student must enroll at McHenry County College within 24 months following high school graduation.
- The college course covered by this articulated agreement is designed to lead to the AAS degree or certification of proficiency in this program.
- This agreement is subject to review and renewal on a bi-annual basis or as needed.

PROGRAM SPECIFIC REQUIREMENTS:

- A year of high school algebra and geometry with a letter grade of "C" or better.
- NOTE: Should a student scheduled to receive college credit under the terms of this agreement fail to earn a letter grade of "C" or above in AMT 140, Automotive Engine Technology and AMT 180, Auto Steering-Suspension, the student may be required to transfer back to a lower courses at the discretion of McHenry County College.

As the instructor, I am recommending that this student receive college credit per this agreement.
