## FISCAL YEAR 2023 BUDGET

STATE OF ILLINOIS COMMUNITY COLLEGE DISTRICT NO. 528 McHENRY COUNTY COLLEGE 8900 U.S. HIGHWAY 14 CRYSTAL LAKE, IL 60012

www.mchenry.edu/finance

September 22, 2022

To: Board of Trustees, McHenry County College, Illinois Community College District #528

From: Clinton E. Gabbard, President

Subject: Fiscal Year 2023 Budget

The Fiscal Year 2023 Budget represents the collective input of the College community for operating the College to the mission of the institution within the presented financial parameters. It also represents the way in which the College budget is tied to the strategic plan.

Fiscal Year 2023 revenue estimates in the operating budget, for the Education and Operations and Maintenance Funds, include conservative estimates for credit hour enrollments, property tax revenue, noncredit training revenue and State of Illinois funding.

The expenditure side of the budget has been subjected to significant scrutiny, especially by the President's Cabinet, to ensure that budgets and staffing levels are representative of institutional needs. Items included in the budget for capital equipment and locally-funded repairs and renovations were thoroughly reviewed and only the highest priority items are included in the proposed budget. Adequate funds have been budgeted in contingencies to allow the College to respond to emergencies and critical emerging needs.

The proposed Fiscal Year 2023 Budget is consistent with the College's mission and vision statements.

With the proposed Fiscal Year 2023 Budget, the College is well-positioned to focus on learning with the goal of ensuring student success.

Sincerely,

Clinton E. Gabbard President

The lighting should be installed on 20 foot tall stanchions with LED fixtures. The lighting should be connected to the master control timer. PWSPL04-REPLACE OLDEST FIRE HYDRANT:
						The fire hydrants around campus are of varying age and condition. Some of these hydrants may be nearing the age where reliable operation becomes questionable. This project provides a budget to replace the older fire hydrants around campus.
						DEL01- REPLACE EMERGENCY GENERATOR: Replace the existing emergency generator set with an appropriately sized unit based on current facility requirements. Replacement costs include the demolition of existing equipment and installation of a new generator, automatic transfer switches (ATS), battery and charger, exhaust system, and necessary piping and electrical connections. Specify a natural gas-fired unit unless otherwise directed by local standards.

### RATE OF INFLATION AND ITS EFFECT ON PURCHASING POWER

### Definition of 'Purchasing Power'

The value of a currency expressed in terms of the amount of goods or services that one unit of money can buy. Purchasing power is important because, all else being equal, inflation decreases the amount of goods or services you would be able to purchase.

	Tax Base Year				CPI	-U Tax Year (D	ec to Dec Chan	ge)				2013-2022 Inflationary	CPI-U (since 2000)
Purchasing Power Effect*	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021	2022	Effect	Est 2022
Rate of Inflation	3.00%	1.70%	1.50%	0.80%	0.70%	2.10%	2.10%	1.90%	2.30%	1.40%	8.50%	23.00%	2.40%
Extended Tax Levy	27,966,944	27,491,506	27,072,002	26,848,266	26,652,497	26,065,192	25,477,886	28,697,502	28,037,459	27,644,935	25,295,116	(5,901,025)	22,065,919

What this chart shows is the decline in the value of a dollar when adjusted for inflation. In this case, \$1.00 in 2012 would be worth \$0.2300 cents less in 2022 or \$0.77 cents. The 2.4% is the average Dec to Dec CPI-U change since 2000\*\* and was used as the estimated rate of inflation in the outlying years.

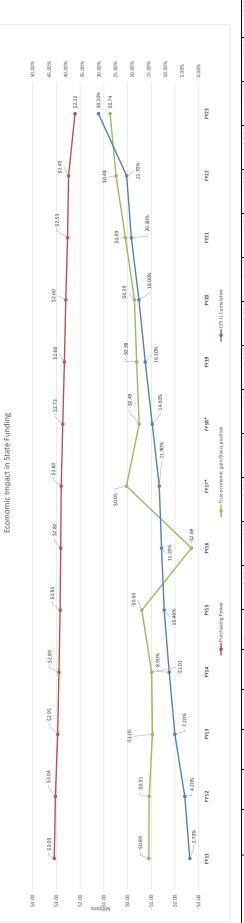

The cumulative rate of inflation is estimated at 23% in eight years which reduces the 2012 purchasing power by \$5,901,025 (excludes new property growth).

\*What this means is that \$27,966,944 in 2012 dollars will be worth (i.e. the value in terms of inflation adjusted figures) is worth \$22,065,919, as a result of inflation

### Changes From Tentative Budget

The most significant changes on this fund resulted from the additional revenue expected from the Corporate Personal Property Replacement Tax (CPPRT) from the State, which is recorded as Local Revenue similar to the property tax. A portion of the CPPRT goes to Fund 01 Education and the remainder goes to Fund 02 Operations and Maintenance.

The College is also being allocated near full funding in the IVG/ING grants that have been historically under funded, if funded at all over the years.

This additional revenue has allowed to College to make changes to the transfers allowing for more support to Fund 05 Auxiliary and Fund 03 Operations & Maintenance Restricted that will be sued for CATI.

The changes in expenses are add on projects that are or were planned for but information was not available at the time and therefore did not make the initial tentative budget until the information was made available.

The most significant changes on this fund resulted from the additional revenue expected from the Corporate Personal Property Replacement Tax (CPPRT) from the State, which is recorded as Local Revenue similar to the property tax. A portion of the CPPRT goes to Fund 01 Education and the remainder goes to Fund 02 Operations and Maintenance.

The changes in expense relate to the auto lift reorientation that needs to occur due to the construction of the CATI building rendering the one door inaccessible to vehicle use.

The other expense relates to added exterior signs, kiln roof, and the need to patch the radio station lot as landlords of the property for safe egress.

### Glossary

#### McHENRY COUNTY COLLEGE COMMUNITY COLLEGE DISTRICT NUMBER 528

#### **GLOSSARY OF TERMS**

#### ACADEMIC SUPPORT. (See FUNCTION).

**ACADEMIC TERM.** An academic term is any period of time in which course work is offered by the institution and for which students seek enrollment. The term may include a regular session or a special session. The College uses the semester system, which consists of the summer, fall, and spring semesters.

**ACCOUNT NUMBER.** An account number is a defined code for recording and summarizing financial transactions.

**ACCOUNTING PERIOD.** The accounting period is a period at the end of which and for which financial statements are prepared.

ACCRUAL BASIS. Accrual basis accounting is an accounting system that records revenues when earned and expenditures when a fund liability is created, regardless of the accounting period in which cash payment is actually made. An encumbrance system may be used in conjunction with an accrual basis accounting system.

ACCRUED EXPENDITURES. Accrued expenditures are those expenditures which have been incurred and have not been paid as of a given date.

ACCRUED INTEREST. Accrued interest is interest earned between interest dates but not yet paid.

ACCRUED LIABILITIES. Accrued liabilities are those amounts owed but not yet paid as of a given date.

ACCRUED REVENUE. Accrued revenue is revenue earned and not yet collected regardless of whether due or not.

**APPROPRIATION.** An appropriation is an authorization that enables the College to make expenditures and incur obligations for a specific purpose.

**ASSESSED VALUATION.** The assessed valuation is the value on each unit of property for which a prescribed amount must be paid as property taxes.

ASSETS. The entire property owned by the College.

**AUDIT.** An audit is an examination of the financial records of the College to obtain reasonable assurance that the financial statements prepared by the College are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. It further includes an assessment of the accounting principles and procedures used and of the significant financial estimates made by management.

AUDIT FUND. (See FUND).

#### AUXILIARY ENTERPRISES FUND. (See FUND).

BALANCED BUDGET. The budget is balanced if revenues equal expenditures.

**BOND.** A bond is a written promise to pay a specific sum of money, called the face value or principal amount, at a specified date or dates in the future, called the maturity date, and with periodic interest payments at a rate specified in the bond. A bond is generally issued for a specific purpose or project, such as construction of a new facility.

#### BOND AND INTEREST FUND. (See FUND).

**BONDED DEBT.** Bonded debt is the part of the College debt which is covered by outstanding bonds.

**BUDGET.** The budget is a controlled plan to be used in implementing the philosophy and the objectives of the College. Its development should involve maximum participation, and therefore, the aims and objectives of the College should be reflected at each level. The budget is a legal document once it has been approved by the Board.

**BUILDINGS.** Facilities permanently affixed to the land, including their associated heating and air conditioning systems, electrical and sound systems, plumbing and sewer systems, elevators, and other fixed equipment.

CAPITAL OUTLAY. (See OBJECT).

**CASH.** Cash is money or its equivalent, usually ready money. Money in hand, either in currency, coin, or other legal tender, or in bank bills or checks paid and received, deposits and NOW accounts, bank notes or sight drafts, bank's certificates of deposits, municipal orders, warrants, or scrip.

**CHART OF ACCOUNTS.** A chart of accounts is a list of all accounts generally used in an accounting system. In addition to account title, the chart includes an account number which has been assigned to each account. Accounts in the chart are arranged with accounts of a similar nature; for example, assets and liabilities.

CONFERENCE AND MEETING. (See OBJECT).

CONTINGENCY. (See OBJECT).

**CONTINGENT LIABILITIES.** Liabilities which are not now fixed and absolute but which will become so in case of the occurrence of some future and uncertain event.

CONTRACTUAL SERVICES. (See OBJECT).

**CORPORATE PERSONAL PROPERTY REPLACEMENT TAX.** The corporate personal property replacement tax is collected by the Illinois Department of Revenue as a replacement for the personal property tax.

**COST BENEFIT.** Cost benefit analyses are those studies which provide the means for comparing the resources to be allocated to a specific program with the results likely to be obtained from it, or analyses which provide the means for comparing the results likely to be obtained from the allocation of certain resources toward the achievement of alternate or competing objectives.

**COST EFFECTIVENESS.** Cost effectiveness refers to the extent to which resources allocated to a specific objective under each of several alternatives actually contribute to accomplishing that objective.

**COURSE.** A course is the official educational unit within the instructional programs dealing with a particular subject consisting of instructional periods and one or more delivery systems. Courses are generally classified by the discipline they belong to and the level of instruction.

**COURSE CREDIT.** Course credit is the number of credits that will be earned by the student for successful completion of a course.

**CREDIT HOUR GRANT.** Credit hour grants are received for courses for each credit hour or equivalent for students who were certified as being in attendance at midterm of the semester during the fiscal year. There are no special restrictions on the use of these funds.

**CURRENT ASSETS.** Current assets are cash or anything that can be readily converted into cash.

**CURRENT EXPENDITURES.** Current expenditures are any expenditure except for capital outlay and debt service. They include total charges incurred, whether paid or unpaid.

**CURRENT LIABILITIES.** Current liabilities are debts which are payable within a short period of time, usually no longer than one year.

**DEBT SERVICE.** Debt service includes expenditures for the retirement of debt and expenditures for interest on debt, except principal and interest on current loans, which are loans payable in the same fiscal year in which the money was borrowed.

**DEBT SERVICE FUND.** The Debt Service Fund is used to account for the accumulation of resources for and the payment of general long term debt principal, interest, and related costs. The Bond and Interest Fund is the Debt Service Fund of the College.

**DEFERRED CHARGES.** Deferred charges include expenditures which are not chargeable to the fiscal year in which they are made, but are carried over on the asset side of the balance sheet pending amortization or other disposition. Deferred charges differ from prepaid expenditures in that they usually extend over a long period of time and may or may not be regularly recurring costs of operation.

**DEFERRED REVENUES.** Deferred revenues are those monies or entitlements which have been recognized as revenues but have not been received and are therefore not available for use.

**DEFICIT.** A deficit is a shortfall of revenues and transfers in under expenditures and transfers out.

**DIRECT COSTS.** Direct costs are those elements of cost which can be easily, obviously, and conveniently identified with specific programs or activities, as distinguished from those costs incurred for several different activities or programs and whose elements are not readily identified with specific activities.

**DISBURSEMENTS.** Disbursements are the actual payments of cash by the College.

**DOUBLE ENTRY ACCOUNTING.** Double entry accounting is an accounting system that requires for every entry made to the debit side of an account or accounts there must be an equal entry to the credit side of an account or accounts.

EDUCATION FUND. (See FUND).

EMPLOYEE BENEFITS. (See OBJECT).

**ENCUMBRANCES.** Encumbrances are anticipated or actual liabilities provided for by appropriation which is recognized when a contract, purchase order, or salary commitment is made. It reduces the appropriation to avoid expenditure of funds needed to pay anticipated liabilities or expenditures.

**EQUALIZATION GRANT.** The equalization grant attempts to reduce the disparity in local funds available per student among districts. Equalized assessed valuations, full time equivalent students, corporate personal property replacement tax revenue, fixed costs, and the district's program mix are considered in the equalization calculations.

**EXPENDITURES.** Expenditures are the total charges incurred by the College regardless of the time of payment.

**FEDERAL GOVERNMENT SOURCES.** Federal government sources is that revenue provided directly from the Federal government. Expenditures made with this revenue should be identifiable as federally supported expenditures.

**FINANCIAL STATEMENT.** A financial statement is a formal summary of accounting records setting forth the District's financial condition and results of operations.

**FISCAL YEAR.** The fiscal year is the year by or for which accounts are reckoned or the year between one annual time of settlement or balancing of accounts and another. It consists of a period of twelve months, not necessarily concurrent with the calendar year, with reference to which appropriations are made and expenditures are authorized and at the end of which accounts are made up and the books are closed. The College's fiscal year is the period from July 1 to June 30 of the following calendar year.

**FIXED ASSETS.** Fixed assets are those assets essential to continuance of proper operation of the College. They include land, buildings, machinery, furniture, and other equipment which the College intends to hold or continue to use over a long period of time.

#### FIXED CHARGES. (See OBJECT).

**FULL-TIME EQUIVALENT.** The full-time equivalent indicator for students is the statistical student unit calculated by dividing all credit hours (both certificate and degree) generated by the College, by fifteen credit hours for any given academic term. To determine the annual full-time equivalent student, the total credit hours for the year are divided by thirty. The full-time equivalent for faculty is thirty instructional hour equivalents per year. The full-time equivalent for classified staff is forty hours of work per week.

**FUNCTION.** A level in the classification structure hierarchy representing the collection of function elements serving a common set of objectives that reflect the major institutional missions and related support objectives.

ACADEMIC SUPPORT. Academic support includes activities designed to provide support services for the institution's primary missions of instruction, public service and research. Academic support includes the operation of the library, educational media services, instructional materials center, and academic computing used in the learning process. It also includes expenditures for all equipment, materials, supplies, and costs that are necessary to support this function.

**INDEPENDENT OPERATIONS.** Independent operations provides for the operation of the cafeteria, bookstore, student organizations, athletics, and other related activities. It also includes all equipment, materials, supplies, and costs that are necessary to support this function.

**INSTITUTIONAL SUPPORT.** Institutional support consists of those costs that benefit the entire college and are not readily assignable to a particular cost center. Administrative data processing, business office, personnel services, insurance costs, legal fees, provision for contingencies, and nonoperating expenditures, are examples of items included in this area.

**INSTRUCTION.** Instruction consists of those activities dealing with the teaching of students. It includes the activities of faculty in the baccalaureateoriented/transfer, occupational-technical career, general studies, and remedial ABE/ASE programs (associate degree credit and certificate credit). It includes expenditures for department chairpersons, administrators, and support staff for whom instruction is an important role. It also includes all equipment, materials, supplies, and costs that are necessary to support the instructional program.

**OPERATIONS AND MAINTENANCE.** Operations consists of housekeeping activities necessary in order to keep the physical facilities open and ready for use. Maintenance consists of those activities necessary to keep the grounds, buildings, and equipment operating efficiently. This function also provides for campus security and plant utilities, as well as equipment, materials, supplies, fire protection, property insurance, and other costs that are necessary to support this function.

**ORGANIZED RESEARCH.** Organized research includes any separately budgeted research projects, other than institutional research projects that are included under institutional support, whether supported by the College or by an outside person or agency. It also includes all equipment, materials, supplies, and costs that are necessary to support this function.

**PUBLIC SERVICE.** Public service consists of noncredit classes and other activities of an educational nature, such as workshops, seminars, forums, exhibits, and the provision of college facilities and expertise to the community designed to be of service to the public.

SCHOLARSHIPS, STUDENT GRANTS, AND WAIVERS. This category includes activities in the form of grants to students, prizes and awards, chargebacks, and aid to students in the form of state-mandated and institutional tuition and fee waivers. Employees/family tuition waivers are not included in this category.

**STUDENT SERVICES.** The student services function provides assistance in the areas of financial aid, admissions and records, health, placement, testing, counseling, and student activities. It includes all equipment, materials, supplies, and costs that are necessary to support this function.

**FUND.** A fund is a separate accounting entity with a self-balancing set of accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures or expenses, as appropriate. College resources are allocated to and accounted for in individual funds

based upon the purposes for which they are to be spent and the means by which spending activities are controlled. An account group, on the other hand, is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available resources. Following are the funds and account groups used by the College.

**AUDIT FUND (a Special Revenue Fund).** The Audit Fund is used for recording the payment of auditing expenditures.

**AUXILIARY ENTERPRISES FUND (a Special Revenue Fund).** The Auxiliary Enterprises Fund accounts for college services where a fee is charged to students and/or staff. Each enterprise/service should be accounted for separately using a group of self-balancing accounts within the fund.

**BOND AND INTEREST FUND (a Debt Service Fund).** The Bond and Interest Fund is used to account for payment of principal, interest, and related charges on any outstanding bonds.

**BUILDING BOND PROCEEDS FUND (a Capital Projects Fund).** Proceeds from construction bonds may be recorded in this fund. Expenditures from this fund are governed by the District's building bond indenture (s).

**EDUCATION FUND (a General Fund).** The Education Fund is used to account for the revenues and expenditures of theacademic and service programs of the College. It includes the cost of instructional, administrative, and professional salaries; supplies and equipment; library books and materials; maintenance of instructional and administrative equipment; and other costs relating to the educational program of the College.

**LIABILITY, PROTECTION AND SETTLEMENT FUND (a Special Revenue Fund).** The Liability, Protection and Settlement Fund is used for the payment of tort liability, unemployment insurance, and worker's compensation.

**OPERATIONS AND MAINTENANCE FUND (a General Fund).** The Operations and Maintenance Fund is used to account for expenditures for the improvement, maintenance, repair, or benefit of buildings and property, including the cost of interior decorating and the installation, improvement, repair, replacement, and maintenance of building fixtures; rental of buildings and property for community college purposes; payment of all premiums for insurance upon building and building fixtures; all costs of fuel, lights, gas, water, telephone service, custodial supplies, and equipment; and professional surveys of the condition of College buildings.

**OPERATIONS AND MAINTENANCE (RESTRICTED) FUND (a Capital Projects Fund).** The Operations and Maintenance (Restricted) Fund is used to account for monies restricted for building purposes and site acquisition.

**OTHER POST EMPLOYMENT BENEFIT FUND (a Special Liability Fund).** The Other Post Employment Benefit Fund is used to account for the liability relating to post employment benefit obligations.

**RESTRICTED PURPOSES FUND (a Special Revenue Fund).** The Restricted Purposes Fund is used for the purpose of accounting for monies that have restrictions regarding their use. Each specific project should be accounted for separately using a complete set of self-balancing accounts within the fund.

**SOCIAL SECURITY AND MEDICARE FUND (a Special Revenue Fund).** The Social Security and Medicare Fund is used for the cost of participation in the federal Medicare program for those employees hired on or after March 1, 1986.

**STUDENT GRANT AND LOAN FUND (a Special Revenue Fund).** The Student Grant and Loan Fund is used to account for Federal monies that are limited to grants and loans to students. Included within this fund are Pell, Supplemental Education Opportunity Grant, College Work Study, and National Direct Student Loan.

**WORKING CASH FUND (a Permanent Trust Fund).** The Working Cash Fund is used to enable the College to have on hand at all time sufficient cash to meet the demands of ordinary and necessary expenditures.

**FUND BALANCE.** The excess of assets of a fund over its' liabilities and reserves. During the fiscal year prior to closing, it represents the excess of the fund's assets and estimated revenues for the period over its liabilities, reserves, and appropriations for the period.

**FUND EQUITY.** The fund equity is the balance of a fund after all liabilities have been deducted from the assets of the fund.

**GENERAL FUND.** The General Fund, (also referred to as the Operating Funds), which consists of the Education Fund and the Operations and Maintenance Fund, are the general operating funds of the College. These are used to account for all financial resources except those required to be accounted for in another fund.

**GENERAL OBLIGATION REFUNDING BONDS.** Bonds issued to retire bonds already outstanding. The refunding bond may be sold for cash and outstanding bonds redeemed in cash, or the refunding bond may be exchanged with holders of outstanding bonds.

**INDEPENDENT OPERATIONS.** (See FUNCTION).

**INDIRECT COSTS.** Indirect costs are those elements of cost necessary in the provision of a service which are of such nature that they cannot be readily or accurately identified with the specific service.

**INSTITUTIONAL SUPPORT.** (See FUNCTION).

#### **INSTRUCTION.** (See FUNCTION).

**INTERFUND TRANSFERS.** Interfund transfers are the transfer of monies between funds. Monies may not be transferred between funds except by the same procedure as that used to approve the budget, including public notification, publication, inspection, and comment. Interfund transfers are usually part of the overall budget plan and are built into the budget at the time of its approval by the Board of Trustees.

**INTERNAL CONTROL.** The purpose of internal control is to safeguard the use of public funds and to protect the public trust on behalf of the College. Internal controls are those activities and organizational preparations designed to insure effective accounting control over assets, liabilities, revenues, expenditures, and any other activities associated with the finance and accounting actions of the College. Some of the precautions instituted by internal control are insuring that no single individual can perform a complete cycle of financial operations and that procedures of the finance and accounting system are specified and monitored. Internal control also requires designated levels of authorization for all actions under the system.

**INVESTMENTS.** Investments are securities or other properties in which money is held, either temporarily or permanently, in expectation of obtaining revenues. Legal investments for community college funds are governed by state statute, which allow funds belonging to or in the custody of the College to be invested. Bonds, treasury bills, certificates of deposit, and short-term discount obligations issued by the Federal National Mortgage Association are some of the types of investments which are permitted by law.

**LIABILITY.** Obligations incurred by the College when deed passes that must be liquidated, renewed, or refunded at a future date.

LIABILITY, PROTECTION AND SETTLEMENT FUND. (See FUND).

MATERIALS AND SUPPLIES. (See OBJECT).

**MODIFIED ACCRUAL BASIS OF ACCOUNTING.** Modified accrual basis accounting is any accounting system that records revenue when susceptible to accrual, that is, it is both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay the liabilities of the current period. Expenditures other than interest on long-term debt generally are recognized when the related fund liability is incurred.

**NET CURRENT ASSETS.** Net current assets is the difference between current assets and current liabilities. This is also known as working capital.

**NET EXPENDITURE.** A net expenditure is the actual cost incurred by the College for some service or object after the deduction of any discounts, rebates, reimbursements, or revenue produced by the service or activity.

**NET REVENUE.** Net revenue is defined as the balance remaining after deducting from the gross revenue for a given period all expenditures during the same period.

**OBJECT.** The term object applies to expenditure classifications and designates materials or services purchased. Expenditures are grouped by major objects, such as salaries, supplies, or capital outlay, and are further divided as needed for cost accounting and control purposes.

**CAPITAL OUTLAY.** The capital outlay object group includes site acquisition and improvement, office equipment, instructional equipment, and service equipment. Generally expenditures in this category cost more than \$5,000, have an useful life of greater than 1 year and would not normally be purchased form materials and supplies. Furniture, computers and related equipment, and laboratory equipment would be typical examples of items included in this category.

**CONFERENCE AND MEETING.** The category of conference and meeting includes expenditures associated with conference registration and fees, costs for hosting or attending meetings, and related travel costs, whether local or otherwise.

**CONTINGENCY.** Contingency funds are those appropriations set aside for emergencies or unforeseen expenditures. Contingency funds are used only by budget transfers.

**CONTRACTUAL SERVICES.** Contractual service costs are those monies paid for services rendered by firms and individuals under contract who are not employees of the College.

**EMPLOYEE BENEFITS.** Employee benefit costs are for all benefits which employees accrue through continued employment with the College. Benefits include health insurance coverage (except that portion paid by the employee), sabbatical leave salaries, tuition reimbursement, life insurance, early retirement contributions assignable to the College, and others.

**FIXED CHARGES.** The fixed charges object category includes charges for rentals of facilities and equipment, payment of debt interest and principal, general insurance charges, installment payments for lease/purchase agreements, and property/casualty insurance.

**MATERIALS AND SUPPLIES.** The materials and supplies category includes the cost of materials and supplies necessary for the conduct of the College's business. Business forms, envelopes, postage costs, printing costs, and handouts to students typically fall into this category.

**OTHER EXPENDITURES.** The other expenditures object category includes expenditures not readily assignable to another object category. Examples include tuition chargebacks, other chargebacks, and charges and adjustments.

**SALARIES.** Salaries are monies paid to employees of the College for personal services rendered to the College. Full-time, part-time, and temporary employees, whether administrators, faculty, or staff, are paid wages or salaries within this category.

**UTILITIES.** Utilities include all utilities costs necessary to operate the physical plant and other ongoing services, including gas, water, sewage, telephone, and refuse disposal.

**OPERATIONS AND MAINTENANCE.** (See FUNCTION).

**OPERATIONS AND MAINTENANCE FUND.** (See FUND).

**OPERATIONS AND MAINTENANCE (RESTRICTED) FUND.** (See FUND).

**ORGANIZED RESEARCH.** (See FUNCTION).

OTHER EXPENDITURES. (See OBJECT).

**PARETO CHART.** A Pareto Chart is a special type of bar chart where the values being plotted are arranged in descending order.

**PERFORMANCE BUDGET.** A budget that is structured to allow for expenditure analysis based upon measurable performance of predetermined objectives established by each activity.

**PREPAID EXPENDITURES.** Expenditures entered in the accounts for benefits not yet received. Prepaid expenditures differ from deferred charges in that they are spread over a shorter period of time than deferred charges and are regularly recurring costs of operation.

PUBLIC SERVICE. (See FUNCTION).

**RECEIPT.** The actual receipt of cash.

**REIMBURSABLE CREDIT HOUR.** A certified instructional credit hour used as a basis for disbursing Illinois Community College Board funds.

**RESTRICTED PURPOSES FUND.** (See FUND).

**REVENUES.** Additions to assets which do not increase any liability, do not represent the recovery of an expenditure, do not represent the cancellation of certain liabilities without a corresponding increase in other liabilities or a decrease in assets.

SALARIES. (See OBJECT).

SCHOLARSHIPS, STUDENT GRANTS, AND WAIVERS. (See FUNCTION).

#### SOCIAL SECURITY AND MEDICARE FUND. (See FUND).

**SPECIAL REVENUE FUNDS.** Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes. The Special Revenue Funds include the Auxiliary Enterprises Fund; Restricted Purposes Fund; Student Grant and Loan Fund; Audit Fund; Liability, Protection and Settlement Fund; and the Social Security and Medicare Fund. (See FUND).

**STUDENT FULL TIME EQUIVALENT.** The statistical student unit calculated by dividing all credit hours (both certificate and degree) generated at the college by 15 semesters hours for any term. To determine the annual FTE students, divide all semester hours for that year by 30 semester hours.

STUDENT GRANT AND LOAN FUND. (See FUND).

STUDENT SERVICES. (See FUNCTION).

UTILITIES. (See OBJECT).

**WORKFORCE DEVELOPMENT GRANT.** The state economic development grant provides funding to be used to operate a Business Assistance Center or an economic development office. Activities include assistance in commercial or industrial expansion and/or retention and employment training services for unemployed or under employed adults to improve their job skills and assist them in seeking employment.
