MCC is a participant in the **Illinois**

Articulation Initiative (IAI). This statewide agreement between many Illinois colleges and universities establishes a "package" of lower-division general education coursework accepted at all participating schools.

**IAI requirements based on what is offered in the high school, however students can take other courses that are offered as long as they meet the IAI requirement. Courses required for transfer are denoted on plan.

*Suggested courses are based on courses available in high school, however if student is unable to complete they can take at MCC before transferring to the university.
