

# Education to Empowerment

growing your future

## **Event Sponsorship Opportunities**

“To empower women to reach their fullest potential and achieve economic independence through education, mentoring and financial support.” This mission is one that the McHenry County College Education to Empowerment Program is fulfilling with great success. Education to Empowerment is an exciting women’s scholarship program presented by the Friends of MCC Foundation. This unique and innovative program provides financial support and ongoing mentorship for female McHenry County College students completing their final year at MCC and continuing onto a four-year college or university toward an advanced degree. To date, the program has funded \$260,000 in financial support and mentorship to 31 female McHenry County College students.
