Test Component	Date/Deadline	Explanation
Online Application	Due by 4/5/24	The online application must be submitted by April 5, 2024 to be considered for admission. Late applications will be accepted through July 31, 2024. However, applications on file by 4/5/24 will receive preference.
Orientation	Held on 4/12/24	A mandatory orientation will be held on 4/12/24 at 3:00 PM at MCC, in room F108. Applicants unable to attend must obtain a letter authorizing their absence by the chief or manager of the sponsoring agency and email it to swessel@mchenry.edu prior to the date of orientation. The applicant must agree to review a recording of the orientation.
Written Entrance Exam	Due by 5/10/24	Applicants will schedule a time to take the written entrance exam during the month of April. Exams must be scheduled through the MCC Testing Center. Further directions will be provided during the orientation. The entrance exam is 100 multiple choice questions. There is no minimum passing score. However, applicants will be accepted into the program with preference given to higher scoring applicants.
Skills Test	Held on 5/15/24	Applicants must attend the psychomotor (skills) test on May 15, 2024. The test will be held at MCC between 10:00 AM – 4:00 PM with further details to follow. The primary objective of the oral interview will be to discuss program expectations and time management, review performance on the written exam and psychomotor exam, and outline recommendations to enhance preparation for the beginning of the program. The oral interview is not graded but may influence acceptance into the program if enrollment exceeds 24 students and performance on the written exam and psychomotor exam are near equal to other candidates. Interviews will be held
Final Decision	5/31/24	On-time applicants will be provided with a final determination by May 31, 2024.
