Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

The State of Illinois and the National Council for Accreditation of Teacher Education (NCATE) approve WIU's Teacher Education Programs. The Early Childhood Education major leads to Illinois certification for teachers to work with children from birth through grade 2. Graduates of this program are qualified to teach in birth to grade 2 programs, preschool and pre-kindergarten programs for children with special needs, and kindergarten through 2nd grade classrooms. The requirements below must be met to be considered for admission into the Teacher Education Program.

Transfer Options

- **Associate in Arts (AA) Degree** - Transfer students who receive an AA or an AS degree from an Illinois public community college and have a cumulative GPA of 2.00 or higher (using coursework from all colleges attended) are guaranteed the following:

 - Transfer WIU credit back to MCC to complete the AA or the AS degree (Once at WIU, it is important to work with a WIU and an MCC advisor if using this option to complete lower-level general education coursework.)
 - Complete the IAI GECC at WIU (For students with fewer than 30 semester hours of WIU transfer credit, an additional 6 hours of approved IAI or WIU gen ed coursework must be completed or WIU General Education Curriculum at WIU - 43 hours)
- **Please note that the Early Childhood Education program requires specific general education courses, regardless of AA, AS or IAI GECC completion.** See the Education Plan on the last page of this guide.
