Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

The State of Illinois and the National Council for Accreditation of Teacher Education (NCATE) approve WIU's Teacher Education Programs. The Middle Level Education major leads to Illinois licensure in grades 5 - 8 (self-contained classroom situations) through the Illinois State Board of Education. Students choose to prepare for licensure in one of four areas of specialization: science, social studies, literacy, or math. The requirements below must be met to be considered for admission into the Teacher Education Program.

Transfer Options

- **Associate in Arts (AA) or Associate in Science (AS) Degree** - Transfer students who receive an AA or AS degree from an Illinois public community college and have a cumulative GPA of 2.00 or higher (using coursework from all colleges attended) are guaranteed the following:
 - Minimum of 60 semester hours in transfer credit
 - Junior status
 - WIU General Education requirements satisfied (Students in the College or Arts and Sciences may be required to complete additional semester hours of coursework at WIU to satisfy College curriculum requirements.)
 - Individual majors may require specific general core coursework.
- **Illinois Articulation Initiative** - Transfer students who have been certified by a participating Illinois college or university as having completed the IAI GECC will be considered as having satisfied WIU's general education requirements (individual majors may require specific coursework).
- **For students who transfer prior to completing an AA or AS degree or the IAI core:**
 - Transfer WIU credit back to MCC to complete the AA or the AS degree (Once at WIU, it is important to work with a WIU and an MCC advisor if using this option to complete lower-level general education coursework.)
 - Complete the IAI GECC at WIU (For students with fewer than 30 semester hours of WIU transfer credit, an additional 6 hours of approved IAI or WIU gen ed coursework must be completed or WIU General Education Curriculum at WIU - 43 hours)
- **Please note that the Middle School Education program requires specific general education courses, regardless of AA or IAI GECC completion.** See the Education Plan on the last page of this guide.
